Specific amendment request

Specific reason for amendment request

I understand that if the protected health information was not created by BlueAdvantage Administrators of Arkansas, the health plan is not required to honor my request. For example, if the information I wish to amend is a medical report created by my physician, I must ask the physician – not BlueAdvantage Administrators of Arkansas – to amend the report. I also understand that if the information is not available for my inspection, is not part of the plan's designated record set or is already accurate and complete, I cannot amend the information.

I understand that BlueAdvantage Administrators of Arkansas will respond in writing to my request within 60 days.
